Subject: Parramatta Site Establishment and Operations Construction Parking and Access Strategy for Sydney Metro West – Western Tunnelling Package (Condition D92 of SSI – 10038)

Dear Mr. Armstrong,

I refer to your submission dated 7 September 2022, requesting approval of the Parramatta Site Establishment and Operations Construction Parking and Access Strategy (Parramatta CPAS) (rev C, 18 October 2022). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Parramatta CPAS:

- has been prepared in consultation with RMS, City of Parramatta Council and Sydney Metro;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Parramatta CPAS (rev C, 18 October 2022) under Condition D92 of SSI-10038.

You are reminded that if there are any inconsistencies between the approved document and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Ellena Tsanidis at ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely

Dominic Crinnion

Acting Director
Infrastructure Management

As nominee of the Planning Secretary
