Subject: Westmead Construction Parking and Access Strategy for Sydney Metro West – Western Tunnelling Package (Condition 92 of SSI-10038)

Dear Mr. Armstrong,

I refer to your submission dated 25 July 2022, requesting approval of the Westmead Site Establishment Construction Parking and Access Strategy (CPAS) (dated 15 September 2022). I also acknowledge your response to the Department's review comments and requests for additional information.

I note the Westmead CPAS:

- has been prepared in consultation with TfNSW, Customer Journey Planning, City of Parramatta Council, Cumberland City Council, Healthy Buildings International and Sydney Metro;
- has been reviewed by Sydney Metro and no issues have been raised with the Department; and
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the Westmead Site Establishment CPAS (dated 15 September 2022) under Condition D92.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website.

If you wish to discuss the matter further, please contact Ellena Tsanidis at ellena.tsanidis@planning.nsw.gov.au.

Yours sincerely
